Location codes

The checklists on the following pages have been created to help ensure you bring all the necessary items when travelling in remote areas or off-road.

When you are travelling, you will have lots of items stored in various locations.

By identifying suitable location codes below and filling them in the right hand box on the checklist when you pack it will help you find items (particularly in an emergency)

Good organisation = less stress!!

Examples of location codes could be:

- 1. Trailer
- 2. Roof rack
- 3. Glove box
- 4. Under seat storage
- 5. Car boot
- 6. Box No 6

Location codes

- 1. _____
- 2. _____
- 3. _____
- 4. _____
- 5. _____
- 6. _____
- 7. _____
- 8. _____
- 9. _____
- 10. _____

Remote Area Travel

EMERGENCY PHONE No. 000, if no signal on a mobile try 112

EMERGENCY PHONE No. (TEXT) 106

Important:

- Allow 10 litres of water per person per day when travelling in remote areas
- In areas of mice/rat infestations leave your bonnet open at night
- Food – plan for the worst case
- Do not drive after dark unless absolutely necessary. Beware of uneven road surface and animals crossing the road.
- Always walk water crossings first if safe to do so.
- Inspect wheel nuts daily
- Do not outdrive your capabilities
- Practice recovery techniques before you leave home
- Consider roadside assist / recovery policy.
- Notify 3rd party of your route and when you plan to return.
- Do not camp in dry creek beds
- Do not travel on badly worn tyres
- Adjust tyre pressure for the conditions
- If you get lost or stuck – **STAY WITH YOUR VEHICLE** and open the bonnet to indicate that you are in trouble.
- Beware of road trains
- Consider carrying an Epirb registered with AMSA

Tips:

- Take your common sense with you at all times
- Pack items in square containers where possible.
- Plan a visit to the doctor & dentist before a major trip for a check up.

General Guideline for State and National parks

This list does not replace local regulations please check in advance of trip

- Use minimum impact practices in all of your activities while in State and National Parks
- Vehicles must be registered and the driver must be licensed
- Normal road rules apply including speed limits, the 0.05 blood alcohol limit and the wearing of seat belts.
- Stay on existing tracks when driving, walking or cycling. Bush bashing destroys vegetation and causes erosion.
- Obey any direction given by a Parks Ranger
- You must obtain valid camping permits before setting up camp
- Domestic animals, firearms and any other weapons, chainsaws and machetes are usually prohibited. Axes may only be used for driving in tent pegs or splitting firewood.
- Do not interfere with or remove any plants, animals, natural or cultural resources.
- Do not feed the animals. Keep all food and rubbish stored securely.
- Do not bring plants or plant matter (other than food) onto a State or National Park
- Take your rubbish home with you. Do not burn or bury it.
- Do not pollute the water. Do not use soaps, detergents, shampoos, toothpaste or the like in any lake or water course. Avoid using sunscreen in lakes.
- Campfires are prohibited in some parks so you will need a fuel stove (there will be a notice to that effect on your camping permit) If fires are permitted, use existing fireplaces. Obey any fire bans and do not leave a fire unattended. Do not collect firewood from National Parks.
- Generators are normally not permitted without written authority
- Keep noise to a minimum especially from 9pm to 7am.
- If there are no toilets, bury human waste in a hole at least 16cm deep, well away from watercourses, walking tracks, campsites and facilities
- Leave your campsites as you would expect to find them, in a clean, sanitary and litter free condition.

Beach Driving

- Keep off sand dunes except at designated crossing points for access to and from the beach.
- Lower tyre pressure
