VC SERVICE CENTRE - BRISBANE

Vehicle Components is authorised to undertake suspension upgrades and retrofits which must be carried out by a repairer who has Type Approval by QLD Department of Transport and Main Roads (TMR).

Our National Service Network partners can perform all your scheduled servicing and pre-trip inspections including:

- Wheel alignments
- Bearing checks and replacement
- Shock absorber replacement / upgrade
- Coupling fitment
- Suspension service
- Brake adjusting and servicing
- Customer Support

and much more!

For bookings, please contact your nearest service agent, give our Brisbane office a call on 1300 35 45 65 or visit our website vehiclecomponents.com.au.
